I am so used to comply with the D.G.O. letter, unless I am under the impression that it is intended to be a final decision. It is for the Government to consider whether a new block of buildings should be constructed to accommodate the Police, Police Training, Police Comm. Offices, and other staff. Renting houses at a great cost is such an arrangement will be found cheap in the long run. I am, Sir, Yr. Obedt. Servant

Sir,

I have the honor to forward herewith for the orders of Government copy of letter No: 1006 dated the 23rd may 1904, from the Deputy Commissioner Bangalore, regarding the removal of the District -- Police Office from the old Taluk Cutchery buildings where it is now located.

The Deputy Commissioner states that the Police Office being part and parcel of his establish ment, it is necessary that the same should be situa- ted very near the District Office proper.

He further states that it is useless to spend any money on the repairs of the old Taluk --- Cutcherry buildings and suggests that it would be better that some building is added on ^{to} the existing District Office buildings.

For the present, the Deputy Commissioner suggests the removal of the Inam Superintendent's

Office

ffice records to the New Survey Office the vacated rooms
being utilized as the District Police Office.

Sir,

In reply to your dockets Nos:
5570/652 and 6292/751 dated 11th March
and 19th April 1904 respectively, ---
requesting my opinion regarding the
removal of the present District Police
Office, I have the honor to state that
the District Police Office is part
and parcel of the Deputy Commissioner's
establishment. References will have
to be taken almost every day for the
Deputy Commissioner's use, and also
the Deputy Commissioner will have to
give instructions to the Officials
of that Office. It is therefore necessary
that the Police Office should be
very near to those of the District
Office proper. It is useless to spend
any money on the repairs of the old

Taluk

Taluk Cutchery. It would on the other hand be better that some building is added on to the existing District Office buildings. For the present I would propose to remove the Inam Superintendent's Office records to the new Survey Office, and make use of those rooms for the Police Office,. This would, I think, facilitate the work of the Inam Superintendent.

it would be convenient for me to

requiring considerable economy of space. I
am still awaiting the erection of a Press
and lumber room so as to set free some
rooms for the Akar Office Records which
with the Stationery are just at present
accommodated without much inconveni-
ences in the room set apart for Re-
Survey records but as the latter increase,
as of course they must do, this convenience
will be no longer available.
